Mr. Munir Ahmad
Isoss Publications
Plot #426, Block J-3, M A Johar Town
Lahore PAKISTAN

Dear Mr. Munir Ahmad,

I am pleased to inform you that *Pakistan Journal of Statistics* has been selected for coverage in Thomson Reuters products and custom information services. Beginning with V. 24 (1) 2008, this publication will be indexed and abstracted in the following:

- ◆ Science Citation Index Expanded (also known as SciSearch®)
- ◆ Journal Citation Reports/Science Edition

If possible, please mention in the first few pages of the journal that it is covered in these Thomson Reuters services. I'd like to draw your attention to the two enclosed pages. The *Journal Information Sheet*, upon completion kindly return immediately. The *E-feed Scenario* outlines the requirements for electronic journal processing.

In the future *Pakistan Journal of Statistics* may be evaluated and included in additional Thomson Reuters products and information services to meet the needs of the scientific and scholarly research community.

If you wish to have document delivery royalty agreement please contact Bruce.Graves@ThomsonReuters.com

Thank you very much.

Sincerely,

Marian Hollingsworth
Director, Publisher Relations

Thomson Reuters E-feed Scenarios

Electronic feed requirements September 2008

Delivery Options:

- 1.) **FTP:** An FTP site will be established and provided by Thomson Reuters all FTP details will be forwarded (FTP setup is a 2-4 week process)***
- 2.) **IP access:** Please register all Thomson Reuters IP addresses below:
(199.4.155.10) (125.21.50.214) (80.25.195.105) (62.97.114.203) (163.231.6.66)

Note: FTP is the preferred delivery option:

A. PDF and Full-Text Tagged-Format Files (FTP only)

PDF files must be identical to the print counterpart. Article-based PDF files for EVERY article in an issue. This would include contents pages, front matter, editorials, corrections, reviews, etc. NO SECURITY and NO PASSWORDS assigned to the PDF files.

Corresponding **full-text** tagged-format files for EVERY article in the issue. Beginning AND ending tags for each tagged element. Individual tags for data elements that are comprised of multiple parts (e.g., for references, separate tags for AUTHOR, TITLE, VOLUME, PAGE, & YEAR). Links to author names for email addresses, author addresses, etc

File naming: PDFs and tagged-format files should match (except for extension), for example:
PC009876.PDF / PC009876.SGM or PC009876.XML

B. PDF and Tagged-Format Header Files (FTP only)

PDF file requirement as listed in option "A" but with tagged header files format only (not full text).

C. PDF Only (Both delivery options available)

PDF file requirement as listed in option "A". PDF only, all articles must be void of PDF SECURITIES, NO PASSWORDS assigned to the PDF files.

*****Note:**

For FTP option all files must be in zipped format only and uploaded directly to our FTP site –
(RAR file types are currently NOT supported)

Email alerts/notifications of newly uploaded files should be sent to:
